Dear Sir,

It is about one round year since I met you last January, I had such a pleasant time staying with you, and it is with very happy memories that I recall my one greatest fortune day at Buddhagaya, always I am thankful to you and the Society for all the merits I have gained by your generosity.

Now I am very happy to enroll myself as one Life Member in this great year 2500th Anniversary of the Lord, I am enclosing herewith the Life Member fee of Rs.250/- by asking my friend of the TAC. to deliver it to you, please write me when the money is received.

Please be sure that I am heartily hoping to join the service of the 2,500th Buddha Jayanti if possible, therefore, if you think I can be of any use please kindly count on me.

Wishing you and all the Society Members a Happy New Year and praying for all your great works for our Buddha Sasana.

Yours Respectfully,
