Maha Bodhi Society of India,
4A, Bankim Chatterjee Street,

Dear Sir:

It was a great pleasure to see you in Bangkok last July, my wife and I was very happy to find you in so good condition. Every now and then I am always thinking of you and wishing you in good health and best success in working for our Buddha Sasana.

I thank you so much for the authorization letter and the photos you kindly sent to me. Now I am very happy to forward to you on this occasion a Life Membership fee of Rs. 250/- enclosed herewith, this is the first one I have got since you authorized me. Please acknowledge its receipt by directly communicating with Mr. Vichai Acharry, 24 Sai Namphung Lane, Sukumvit Road, Bangkok, Thailand.

I am still trying my best to collect for you as many Life Members as I can, and believing to get more by and by, though sometimes I found it difficult when urging persons whom I supposed they are good Buddhist but after all they seemed so uneasy to donate this amount, thus, I just do not understand at all. However, I am trying with my utmost ability to serve the Maha Bodhi in every possibilities.

To conclude, I here extend my best wishes to you and all members of the Society. Looking forward to have the pleasure of seeing you in a near future.

With my best regards,

Yours most faithfully,

Prasit Silapabanleng
