Dear Professor,

This is to thank you most heartily for your kind letter of the 9th. inst. the contents of which is well noted and to which I am making haste to reply. I have great news for you and I hope that no time has been lost in informing you of same. Your tape is wonderful. Prince Chakrabandu has informed me that His Majesty the King is very pleased with it. So pleased that he has commanded Prince Chakrabandu through me to invite you to be His Majesty's guest on the day after your arrival in Bangkok. That is the 4th of June. You will be His Majesty's guest at his seaside palace at Hua-Hin. I trust that this letter will reach you in time for you to make necessary arrangements accordingly. You will have the whole day to talk to His Majesty so that I am sure that some arrangements could be made to your utmost satisfaction. I am indeed very happy.

I do trust that there will be no obstacle to prevent you to accept this royal invitation. I am so glad because this offers us another opportunity to meet and talk over many things that are still to be discussed. Your company is always a pleasure to me.

I am finishing off this letter so it will not be long but much more when we meet.

Kindest Regards from my wife and myself,
I remain, ever cordial.
