Dear Professor,

Thank you so much for your letter of the 4th. August and also for the separate cover of music. The technic of the pieces are of high class artistic and very beautiful, I love so much.

Ofcourse, I will follow your advice, by all means, your supervision on my study and work is great important for me, and I always realize with much gratitudes and thanks to you whom I owe much of my success .

Please excuse me for being a little delay, owing to some reasons that took time in managing for you about the King's music and audienced photos, already the music has been mailing off about two weeks ago, but the photos will be sent later on.

Regarding my travel to Europe, the fixed day of my arrival in Paris is around 15th. October, and I am taking the plane to Athen-Rome on ~~thir~~rd. October so I will be visiting Rome about 5 days, therefore, if you would kindly write to Zurich that I am trying to reach Zurich on 10th.Oct. or so, anyway, I must thank you again and again for all the kind helps you have done for me.

I am finishing off this letter so it will not be long but much more when I have next pleasure in seeing you again.

Kindest Regards from your pupil,  
Sincereely Yours.
