Dear sir:

In view of the fact, your son,
Mr. Vasant has ordered us to make him one set of Thai dancing
costume for the purpose that he will sometimes give solo
performances during his sojourn abroad, and he has advised
us to write you concerning the price. We are now informing
you that the total cost will be \$250 (Two hundred and fifty
only) for complete set of the said costume.

Please reply directly to Mr. Vasant
if the price is agreeable.

Yours sincerely
