

4 June 1990

Dear Mr. Masazumi and Mrs. Etsuko Sakakibara,

I am writing to inform you that the complete sets of Thai classical dance costume (4 sets of prince and princess costumes including 4 crowns) as ordered are already finished. The total price of these costumes and crowns is 160,000 baht. I have already paid the whole payment to the makers of these costumes because they need the money immediately after they hand over these costumes to me.

In this connection, you can make arrangement to come over to Bangkok for these costumes some time in the middle of June (after June 16 would be better) so that I could arrange with the makers to come and demonstrate the proper way to handle these costumes. I also suggest that you should take photographs during the demonstration.

Please inform me the date of your arrival. I want to tell you once more that my family and myself are happy to welcome you at our house.

My best regards to Prof. Sakakibara and your mother.

Sincerely yours,

Prof. Prasidh Silapabanleng
