Dear U Thant:

I have received your most charming and kind letter addressed to Miss Bennett of the Asia Society thanking my troupe for taking part in the Human Rights Day celebration at the United Nations Headquarters on 10 December 1962.

We were delighted and honoured to be able to work for the United Nations and thank you for allowing us to help, in howsoever small a way, in celebrating Human Rights Day.

Yours gratefully and respectfully,

Prasidh Silapabanleng
Director
