RUDIMENTS OF MUSIC.

Before the student can commence to play on any instrument, it is necessary that he should be acquainted with the rudiments of Notation.

The musical signs which indicate pitch and duration of a musical sound, are called Notes, figured thus:— 

They are named after the first seven letters of the alphabet; A B C D E F G and are written on, between, above or below five parallel lines:—  called the *STAVE*, the names of the notes are determined by *CLEFS*, placed on different lines.

There are three clefs used for the Violoncello:—the Bass or F clef.  the Tenor or C clef:  and the Treble or G clef. 

The names of the notes in the Bass-clef, on the five lines are:—  *G B D F A*
in the four spaces are:—  *A C E G* and immediately above and below the lines are:—  *B F*

These eleven notes being too limited, and in order to signify higher and lower sounds, leger-lines have to be added above and below the stave.

The notes of the leger-lines above the stave are:—  *C D E F G A etc.*

The notes of the leger-lines below the stave are:—  *E D C*

The Notes of the Tenor-clef are given on page 37.

The Notes of the Treble-clef are given on page 61.

DURATION OF NOTES.

Notes may be of long or short Duration, which is shown by their peculiar-form:—

Several of the latter three specimens combined may also be written:—

THE RELATIVE VALUE OF NOTES.

ONE SEMIBREVE or WHOLE-NOTE
IS EQUAL TO

2
MINIMS, or HALF-NOTES,

or 4
CROTCHETS,
(Quarter-notes.)

or 8
QUAVERS,
(Eighths.)

or 16
SEMI-QUAVERS,
(Sixteenths.)

or 32
DEMI-SEMI-QUAVERS.
(Thirtyseconds.)

BARS.

Every piece of music is divided into equal MEASURES or portions of TIME, by vertical lines,

called BARS:—

every bar must contain a certain number of notes regulated by the FIGURES, which always follow the signature.

A DOUBLE-BAR is used to denote either a part, or the whole of a composition, and when Dots are added, the part on the same side as the dots,

is Repeated. (i. e. played again.)

RESTS.

Instead of a note, a Rest of an equal value may be used, to complete the measure.

Rest for a Semibreve or Whole-note. Minim. (Half-note.) Crotchet. (Quarter-note.) Quaver. (Eighth-note.) Semi-quaver. (Sixteenth-note.) Demi-semi-quaver. (Thirtysecond-note.)

DOTS.

A DOT placed after any note increases its value one half, Thus:—

Two Dots placed after a note increase its value one half and a quarter, or like

TRIPLETS, DOUBLE TRIPLETS AND GROUPS.

Triplets are marked by a $\bar{3}$ being put over a group of three notes. Double Triplets are marked by a $\bar{6}$ being put over a group of six notes. That means:—

Three Crotchets marked thus  must be played in the same time as two Crotchets 
not so marked; or six Quavers  like four Quavers  not so marked.

There are also groups of   and  notes.

TIME OR MEASURE.

In order to know how many parts of a Semibreve or Whole-note each bar contains, figures are placed at the beginning of every piece of music:—

<i>Common Time.</i>	<i>Three-four Time.</i>	<i>Two-four Time.</i>
		
Contains four crotchets or the same value in longer or shorter notes or rests and four (1, 2, 3, 4,) have to be counted in a bar.	Contains three crotchets or the same value of longer or shorter notes or rests, and three (1, 2, 3,) have to be counted in a bar.	Contains two crotchets, two (1, 2) have to be counted.

A TABLE OF TIMES.

<i>Single common-Times.</i>	<i>Compound common-Times.</i>	<i>Single triple-Times.</i>	<i>Compound triple-Times.</i>
			
			
			

When a line is drawn through the **C** thus  it indicates that *Two* beats only must be counted in a bar. This time is often incorrectly termed *Alla Breve*.

SCALES EXPLAINED.

The ladder-like succession of eight sounds, starting from any note and ascending or descending by tones and semitones in regular order, is called a *Scale* and each note of a Scale is called a *Degree*.

Between these eight degrees there are seven intervals or distances, five of which are whole tones and two semitones.

There are two principal kinds of Scales, termed *Major* and *Minor*, whose ascension or descension is diatonical (i.e. in tones and semitones,) and a third kind, whose ascension or descension is chromatical (i.e. in semitones.)

For the present, only the *Major* scale will be treated upon. In the *Major* scale the semitones are placed between the third and fourth, and the seventh and eighth degrees of the scale.

DEGREES.

Each diatonic scale derives its name, from the name of the note on the first degree—or the *root*.

There are twelve major and twelve minor scales; but not to burden the student with their combinations, only the scale of C major will be used for the present.

The distance from one note to another is called an *Interval*. Two notes placed in the same degree do not produce any interval, they are said to be in *Unison*.

The intervals are named:—The Second, the Third, the Fourth, the Fifth, the Sixth, the Seventh and the Octave.

INTERVALS.

For the first exercises the Bass-clef will only be used. A Table of two and a half Octaves of Bass-notes is here given, which the student must commit to memory.

GENERAL INSTRUCTIONS.

MANNER OF HOLDING THE VIOLONCELLO.

The performer should sit well forward on his seat, with the left foot in advance of the right, both feet turned outwards. The instrument should be placed between the legs with the lower edge of the back on the calf of the left leg and the edge of the belly on the calf of the right leg. The upper part should incline to the body and towards the left shoulder. The instrument must rest entirely in this position without the assistance of the left hand, and high enough, so as to prevent the bow touching the knees. An End-pin should be used for this purpose.

THE POSITION OF THE LEFT HAND AND ARM.

The fore-part of the thumb must be placed at the back of the neck of the instrument, opposite the space between the first and second fingers. The wrist to be held at a little distance from the neck, so that the first joints of the fingers may be perpendicular to the strings the fingers being a little rounded. The nails should be kept closely pared, in order that the touch may be full and decided. The fingers should fall on the strings like hammers. The arm should be held in the most natural position, neither raising the elbow in the air, nor placing it against the edge of the instrument.

MANNER OF HOLDING AND USING THE BOW.

The Bow must be held near the nut between the point of the thumb and the joint of the first finger. The second finger should slightly touch the hair, the third finger close to it and the first joint of the little finger must be placed near the nut. The fingers should not be cramped but a slight pressure observed with the thumb and first finger. The Bow should be drawn parallel with the bridge across the strings. The wrist must be curved outwards when playing on the upper strings and reversed for the lower. By playing too close to the bridge a coarse or reedy tone is produced, but towards the fingerboard, the tone is more soft and mellow. Two inches from the bridge will give a medium quality. Good Resin should be used for the hair of the bow.

TUNING.

The violoncello has four strings. The strings are called open, when not pressed against the fingerboard. Their names are:-

A, being tuned first to the pitch of a proper tuning fork: D next, then G and finally C. In the beginning the help of a piano will assist the tuning of the lower strings, but after some practice the student will soon get used to the peculiar sound of the fifth (i. e.) the interval from one string to another. The bow then should strike two strings together.

ABBREVIATIONS FOR THE DIVISION OF THE BOW.

W. B. Whole Bow
H. B. Half Bow
Sh. St. Short Strokes
M. B. Middle of the Bow
P. Point of the Bow
N. Near the nut
 $\wedge$ or $\sqcap$ Down Bow
 $\vee$ Up Bow

MARKS FOR FINGERING.

The open strings are indicated by *o*.

The fingers are marked with numbers 1 for the first, 2 second 3 third and 4 for the fourth finger.

The thumb is marked thus: - +

Play and carefully direct the Bow.

<i>W. B.</i>	Fourth string. Full hair.	Third string. Hair turned a little inwardly.	Second string. more turned.	First string. the most turned.
$\wedge$	$\wedge$	$\wedge$	$\wedge$	$\wedge$

W. B. and M. B.

SHARPS.

A Scale may be formed on any note, but in order to produce semitones between the third and fourth and the seventh and eighth degrees in any other but the scale of C major, it is necessary to employ certain characters which raise, depress or restore any note of the Scale. One of these characters is called a sharp ($\sharp$) and when prefixed to a note, raises it a semitone. The number of sharps employed in a scale, depends, upon which note the scale is founded.

The sharps succeed each other in the following order:-

F sharp; C sharp; G sharp; D sharp; A sharp; E sharp; B sharp.

Thus it will be seen that if one sharp is employed it must be prefixed to F; consequently all F's in that piece must be raised a semitone. When two sharps are employed, all F's and C's must be raised and three sharps all F's C's and G's.

The sharps marked at the commencement are called the Signature, while any which are marked in the course of the composition are called accidentals.

EXERCISE in two different Bowings.

THE NATURAL.

In order to restore a note, which has been raised by a sharp (#) or lowered by a flat (b), a *Natural* (♮) is employed, which restores it to its natural sound.

Thus  F, raised by a sharp is restored by the natural  to its original sound or  B flat to  B natural etc.

MINOR SCALES EXPLAINED.

Every major scale has its relative minor, the root note of which is to be found in the sixth degree of the major scale. Both scales bear the same signature. There are two forms of the minor scale, the Harmonic and the Melodic; the latter form will now be explained.

The ascending of the melodic minor scale differs from the descending. In ascending, the semitones are placed between the second and third and seventh and eighth degrees; in descending between the sixth and fifth and the third and second degrees.

The *Harmonic* Minor scales are given on page 66.

Scale of *A* minor, without signature, relative to *C* major.

15. *Bass clef, common time. Eighth notes, slurred in groups of four. Key signature change to one sharp (F#) in the second measure.*

THE POSITIONS.

By shifting the left hand, different positions are made, for example, taking  with the first finger it will be in the first position; taking  with the first finger it will be in the second position. The positions on the Violoncello, except with the use of the thumb are VERY IRREGULAR, as all the intervals of the scale could not be played in the same position, except in the first.

Table of different Positions.

THE DOUBLE SHARP.

Any note can be raised a whole tone by prefixing a double sharp marked thus $\times$ to it. Then $\times$ double sharp  will sound like G natural. 

SCALE OF C $\sharp$ MINOR.

The musical score for the C $\sharp$ minor scale is presented in five systems, each with a treble and bass staff. The key signature is two sharps (F $\sharp$ and C $\sharp$). The time signature is 4/4. The scale is written in a single line for each staff, with fingerings indicated by numbers 1-4 above the notes. The ascending scale is shown in the first two systems, and the descending scale is shown in the last three systems. The descending scale includes a double sharp (x) on the F $\sharp$ note to raise it to a natural G.

The student must now learn the notes of the Tenor-clef, from the comparative Table given below.

These notes sound like those below.

35. Moderato.

Musical notation for exercise 35, Moderato, written in bass clef with a 9/8 time signature. The exercise is presented in two directions: ascending and descending. Fingerings are indicated by numbers 1 through 4 above the notes. The notes are: C, D, E $\flat$, F, G, A, B $\flat$, C, D, E $\flat$, F, G, A, B $\flat$, C. The descending scale is: B $\flat$, A, G, F, E $\flat$, D, C, B $\flat$, A, G, F, E $\flat$, D, C.

SCALE OF G MINOR.

36. Allegro moderato.

J. Dotzauer.

The musical score consists of six systems, each with a piano (treble) and bass (bass) staff. The key signature is G minor (two flats). The time signature is 12/8. The score includes various musical notations such as slurs, accents, and dynamic markings. The first system shows a piano introduction with a bass line. The second system features a piano melody with a bass line. The third system continues the piano melody with a bass line. The fourth system shows a piano melody with a bass line. The fifth system features a piano melody with a bass line. The sixth system concludes the piece with a piano melody and a bass line.

SCALE OF C MINOR.

38. Allegro animato.

Exercise 38, Allegro animato, in C minor, 3/4 time. The piece is written for piano and consists of six systems of two staves each. The first system begins with a piano (*p*) dynamic marking. The music features a combination of eighth and sixteenth notes, often beamed together, and includes various fingering indications (1, 2, 4) and slurs. The piece concludes with a double bar line at the end of the sixth system.

SCALE OF F MINOR.

40. Allegro moderato.

B. Romberg.

Musical score for piece 40, Allegro moderato, by B. Romberg. The score is written in bass clef with a key signature of two flats (Bb and Eb) and a 3/4 time signature. The tempo is marked "Allegro moderato" and the dynamics are marked "mf". The score consists of six systems of music, each with a treble and bass staff. The notation includes various musical symbols such as notes, rests, and fingerings (1-4). The piece concludes with a double bar line.

THE DOUBLE FLAT.

A double flat (bb) lowers any note a whole tone.

SCALE OF D $\flat$ MAJOR.

This page contains eight systems of musical notation for a piano piece. The notation is written in bass clef with a key signature of one sharp (F#). The systems are as follows:

- System 1:** Features a forte (*f*) dynamic marking. The right hand has a melodic line with various ornaments and slurs, while the left hand provides a steady accompaniment.
- System 2:** Continues the melodic and accompanimental patterns from the first system.
- System 3:** Includes a crescendo hairpin and a forte (*f*) dynamic marking. The right hand features a more active melodic line.
- System 4:** Features a piano (*p*) dynamic marking. The right hand has a melodic line with a crescendo hairpin, and the left hand has a steady accompaniment.
- System 5:** Continues the melodic and accompanimental patterns, with a forte (*f*) dynamic marking at the end.
- System 6:** Features a piano (*p*) dynamic marking. The right hand has a melodic line with a crescendo hairpin, and the left hand has a steady accompaniment.
- System 7:** Continues the melodic and accompanimental patterns, with a piano (*p*) dynamic marking at the end.
- System 8:** Features a forte (*f*) dynamic marking. The right hand has a melodic line with a crescendo hairpin, and the left hand has a steady accompaniment.

TABLE OF DIFFERENT BOWINGS FOR Nº 45.

15 numbered musical examples (1-15) showing various bowing patterns for exercise No. 45. Each example is written on a single staff in bass clef with a key signature of one sharp (F#). The patterns consist of eighth and sixteenth notes, often grouped with slurs and accents.

46. Moderato.

Exercise No. 46, Moderato, is presented in piano score format. It features a treble and bass staff. The key signature is one flat (Bb) and the time signature is common time (C). The piece includes various musical notations such as slurs, accents, and dynamic markings (*p* for piano and *f* for forte). Fingerings are indicated by numbers 1-4 above the notes. The score is divided into several measures, with some measures containing complex bowing patterns.

47. Allegro.

EXERCISE ON SYNCOPATED NOTES.

48. Agitato.

The musical score for Exercise 48, titled "Agitato," is written for piano and bass. It consists of six systems of two staves each. The key signature is one sharp (F#), and the time signature is common time (C). The score includes various musical notations such as notes, rests, and fingerings. The first system begins with a piano (p) dynamic marking. The second system features a forte (f) dynamic marking. The third system includes a piano (p) dynamic marking. The fourth system features a forte (f) dynamic marking. The fifth system includes a piano (p) dynamic marking. The sixth system features a forte (f) dynamic marking. The score is characterized by syncopated rhythms and complex fingerings, with many notes beamed together and slurs indicating phrasing. Fingerings are indicated by numbers 1 through 4 above the notes. The score concludes with a double bar line.

ABBREVIATIONS.

Are employed, to avoid the repetition of a single note or a full bar.

Instead of writing four quavers, a minim marked with a thick line, indicates the same.

Examples:- 

or 

Instead of writing one or more bars alike, this sign  is used. 

Bis. means that the bar over which it is placed, must be played twice.

55. 

TREMOLANDO (abbreviated trem.)

The Tremolando is made in a shaky manner with the bow, only a short part is employed.

Written thus  etc.

Played 

NUMBERED RESTS.

When a composition requires a longer silence for an instrument, than half a bar, it is indicated by numbered rests.

This means, so many bars of that movement should be quietly counted.

56. Andantino.

The musical score for exercise 56, titled "Andantino," is written in bass clef with a key signature of three flats (B-flat, E-flat, A-flat) and a 9/8 time signature. The score consists of ten staves of music, featuring various fingerings and articulations. The first staff begins with a 9/8 time signature and a key signature of three flats. The music is characterized by a steady eighth-note pulse with occasional sixteenth-note patterns. Fingerings are indicated by numbers 1 through 4 above the notes. The score includes a variety of musical notations, including slurs, ties, and dynamic markings. The key signature changes to two flats (B-flat, E-flat) in the fifth staff and back to three flats in the eighth staff. The piece concludes with a final cadence on the tenth staff.

57. Moderato e ben marcato.

Exercise 57, Moderato e ben marcato, is a five-staff piece in bass clef. It features a variety of musical notations including slurs, ties, and specific fingerings (1-4) indicated above the notes. The key signature has two sharps (F# and C#).

Scales and exercises to play higher notes, without the assistance of the thumb.

This section contains five staves of scales and exercises. The first staff shows C MAJOR and D MAJOR. The second staff shows C MINOR. The third staff shows D MINOR and B MAJOR. Each scale includes fingerings (1-4) and repeat signs. The key signatures are indicated by sharps or naturals.

The student must now learn the notes of the Treble-clef, from the comparative Table given below.

The Comparative Table shows the notes of the Treble, Tenor, and Bass clefs. The Treble clef notes are G, A, B, C, D, E, F, G, A, B, C, D, E. The Tenor clef notes are G, A, B, C, D, E, F, G, A, B, C, D, E. The Bass clef notes are C, D, E, F, G, A, B, C, D, E, F, G, A. The notes are written on their respective staves with letter labels below them.

58. Andante.
