

Dear Mr. U Thant,

I have received your most charming & kind letter addressed to Mrs Beckett of the Arts Society thanking my house for taking part in the Human Rights Day celebration at the United Nations Headquarters on 10 December 1962.

We were delighted and honoured to be able to ^{work} ~~(dance)~~ ^{perform} for the United Nations and thank you for allowing us to help, in however small a way, in celebrating Human Rights Day.

Yours gratefully & respectfully
