Dear Prof. Tioe :

Happy New Year, And all my good wishes.

More than eight years have passed since we met at The Music Conference in Manila in 1955. I am hoping you have been doing perfectly well. Now I am writing to ask you a favour.

This gentleman, Dr. Samuan Buapim, violinist and physician, now in Singapore on a vacation, and during his stay here he would like to study with you, whom I recommend the best he can find in Singapore.

I have no doubt, therefore, that you will be extremely happy to meet him, and I shall feel grateful for any instruction you may give him while he is at yours.

Kindest regards,

Yours sincerely,

Prasidh Silapabanleng.
