My dear Navnit,

I must tender you my apologies for the delay in replying your letter of April 25th. I have been too busy with my works during ~~last~~last whole week.

Ladda and I are most happy to know that you are attending the Third Congress to Cultivate Human Spirit, and will, on the return trip, stop over at Bangkok. Of course, it is a great pleasure for me and my family to welcome you here, you MUST stay with us at our house, and MUST make your self at home as many days as you can. I have reasons, am sure you will be pleased to hear that Ladda and I, with my daughter and 11 artists are going to perform in America next Fall. We are leaving Thailand by August or September enroute via Europe with possibly stop over at London for a week or so. I have been thinking of telling you about it when the trip is definitely sure, therefore, you can see that I would like to have your stay extended long enough so that we both might work out some good idea, and besides, you should not miss to see my new project-the performances for tourists at my humble auditorium.

Please give my kindest regards to Shri Pohekar, Shri and Smt. Khatau and the Sakakibaras. I am confident that the Congress at Tokyo and particularly your ideal participation being a great success.

Ladda and I, with all members of my family are looking forward to your arrival in Bangkok.

With loving regards,

Yours sincerely,

Prasidh Silapabanleng
