My dear Prasad & Sadda —

I hope you will excuse me for this belated letter. You know, since I arrived here last month, I was always busy with welcome parties and talks pertaining to my observations and other matters.

How is everything? I hope it is fine as usual with the family.

Here is a clipping of what I wrote about my stay there. It was published while I was yet in Tokyo. There are several errors. Even names of persons were italicized which should not be. I wish I could go again there sometime in the future. My stay with you was most enjoyable and fruitful, and for which I am thanking you & Sadda most heartily.

P.S. Be informed that I have not forgotten what I promised you about your plan of coming here. If you could send me some materials about your institute and of course all that will introduce you more deservedly here, I will be very thankful. I need these to present to

the authorities concerned. I am very sure
our project will be carried through.

Fill here & reiterate my thanks
for all the nice things you have done
for me. ~~Also~~ Also, pls. don't forget
to convey my regards to David &
the children, and ~~Max~~ to your sister.

Yours truly
J. R. J. d. / E. v.
