

SIA «*Rīgas skaņu ierakstu studija*»

R I G A R E C O R D I N G S T U D I O Ltd.

CATALOGUE 2005

Riga Recording Studio – especially designed for recording of classical music beginning with chamber orchestras, choirs, soloists up to the size of a full symphony orchestra. Studio is in a church hall with excellent natural acoustics. Studio large surface area combined with the height extending over three storeys guarantees the high acoustic standard of recordings. The control room is connected with recording studio through a large window. **Riga Recording Studio** is located in Old City Riga in a small, picturesque and silent side-street. RRS is an independent recording company. **Trade activities:** studio rental, publishing, wholesale.
