

Mr. Kunitoshi Mikami,

Shibuyaku, Tokyo.

135 Boripat Road,
Bangkok, Thailand.

19th July 1957.

Dear Mr. Mikami:

Following my telegram I wish to explain the fact that another sponsor, Mr. Siew Kok of the Vichit Kasem Company, whom I fixed for our next co-production has been waiting your arrival and will leave by the end of this month for Japan. He would like to meet you and make future arrangements, so if you came by the end of the month you will miss each other. Could you possibly come by the 24th as formerly scheduled?

Mr. Siew Kok has already made a contract with the Shochiku Co. to produce a film called 'The King and She', and he also likes our co-production plan, agreeing to cooperate with us for the next film and in other future productions. He requested Mr. Shibusawa and myself to urge you to come as soon as possible.

Hoping to see you on the 25th.

Yours sincerely,

.....
