Dear Nai Prasit and Leuhn Ladda:

We and our friends are still thinking and talking with the greatest pleasure of the magnificent performance your troupe gave us on Wednesday 24th December. We thank you so much for the great kindness and thoughtfulness towards us and for the marvelous organization which made the performance such a great success.

We shall always treasure the program which you were so thoughtful as to have printed for us.

We also want to thank you for the handsome Mai sculpture you sent for a birthday present.

With best wishes for a happy New Year to you and your troupe, and with many, many thanks,

Yours cordially,

Nord and Mary Busch
