Dear Shri Prasiddha,

I beg to enclose herewith a letter from our common friend Mr. Navnit Parekh who has advised me on your interest in India. I am leaving Bombay on 20th June on a business tour of East Asia by air and expect to be in Bangkok in the first week of July.

I look forward to making your acquaintance and would call on you while I am in Bangkok. If there is any thing that I can do for you while in Singapore, please do not hesitate to write to me C/O, Messrs T. Manmohandas, 70-B Market Street, P.O.Box: 1312 Singapore, Malaya.

Yours sincerely
