

Dec. 22, 1972

Dear Mr. Masaharu Okubo:

Thank you for the New Year card and your letter of Dec. 11, and we take this occasion to thank you for the gift you sent to us with the girls. We wish you and your family get A Happy and Prosperous New Year 1973.

Regarding the Philippines dancing show, you should write a letter to ask some advice from a lady friend of mine, as she is being one of heads of the world famous BAYANIHAN, the Philippines dance & music troupe that toured many times all over the world with great successes, her name is Prof. Lucrecia R. Kasilag, Dean of College of Music & Fine Arts, The Philippine Women's University, Manila. I suggest that you contact and talk over all conditions with her when you go to Manila early next year.

Our PHAKAVALI performance projects from now on will be more busier, and in case you may ask us again to send another Thai Dancing artists next year (as you mentioned in the letter) you should inform us earlier than last time, as we need more longer time to consider in many points, particularly in the proceeding the matter through the authorities concerned.

My wife, my son join me in wishing you and the members of your family be in good health.

Faithfully,

Prasidh Silapabanleng
