Mr. Prasidh Silapabanleng
135 Boripat Road,
Bangkok, Thailand

Dear Mr. Prasidh;

Your letter of July 19th, 1957 has been received by me on 22nd of this month. I telegraphed in answering to your 20th telegram in the same afternoon. I am now consulting with Toei about our production. But I must explain the fact that I can not leave here on 24th and we, I and Toei, are now in difficult position to select the staffs to be taken to your country. The reason why the staffs have not been decided yet is that each staff will be chosen after the starplayer decided. We have not yet chosen the star who will be able to go to your country after December this year.

After the decision of star-player, director and playwright are to be selected. So I am not in a position to tell you the names of the staffs.

If the names of them are not decided by 23rd of this month, I and staffs can not start for Bangkok. If not, I alone am going to leave here for your country. I will make the staffs of Toei leave here a few days after I would leave.

I am sure to leave here on 31st, so please tell Mr. Shew Kok that I want to meet him in Bangkok.

I am very sorry to inform you that I can not start here on 24th. Please tell Mr. Shibusawa of the above things I have mentioned.

Truly Yours,

K. Mikami
