My dear Prasiddha,

Shri Yadav, Manager of our Ahmedabad branch, will see you with this note. He is flying tomorrow to Bangkok and on to Tokyo on a study-tour sponsored by Air India International.

I find from his itinerary that he is scheduled to visit your great Phakavali Dance & Music Institute. I therefore cannot help asking him to call on you personally and convey to you and Smt. Ladda our deep affection and regards. It is quite a long time since I last heard from you and I would, therefore, request you to find some leisure to remember your old friend in India. Please also convey my kindest regards to Shri Kurma Sod and Shri Manasaputra.

I am sure you will be delighted to learn that recently we have organized our Group into "Asian Arts & Culture Group" and we hope to actively promote Asian arts and culture not only in India and Asian countries but also to other countries of the world.

We have at the moment a proposal from Bali to invite their best dancers who had won the first award of Pres. Sukarno. We hope she will be visiting India in the second half of this year and give performances of Balinese dances in Bombay, Delhi and other places. I shall advise you in due course about other activities of our Group.

I trust your son, your daughter and both of you are keeping very well. My respects to your revered mother. My mother ~~was~~ is at Ahmedabad these days, but she will join me only when we motor up to my Estate near Almora in the Himalayas. We hope to spend a full month in the hills before returning to Bombay.

Shri Pohekar, Shri Khatau, Shri Kisan Mehta, Smt. Sardesai and all other friends join me in conveying to you our hearty felicitations and loving regards.

Very sincerely yours,

Navnit Parekh
