Dear Khun Ladda and Khun Prasiddhi:

Thank you both so much for the magnificent birth-day cake which you sent me last week and which was vastly appreciated by all members of the family especially the smallest ones. It was most gracious of you to have remembered this occasion--on which two years ago your dancers gave such a beautiful performance at our house--and Mary and I were most appreciative of both your thought and its edible expression. With best wishes to you both again for the New Year,

Yours sincerely,

Noel F. Busch
